## Instructions for IA 6251

### WHO MUST FILE IA 6251.

All individuals, estates and trusts that had one or more of the adjustments or preferences in Part I must complete form IA 6251 to see if they owe Iowa minimum tax. Taxpayers may have an Iowa minimum tax liability even if they owed no Federal minimum tax. Taxpayers that have an Iowa minimum tax are to attach this form to their 2000 IA 1040. Non residents who have a liability for Iowa minimum tax are required to file an Iowa return even if they have no regular Iowa income tax liability.

Married filing separate filers: Each spouse having tax preferences and adjustments needs to complete an IA 6251.

**Note:** The Federal tax preferences for percentage depletion of an oil, gas or geothermal well and intangible drilling costs from lines 14-b and 14-e of Federal form 6251 are not tax preferences but are additions to income on line 14 of IA 1040.

### RELATED ADJUSTMENTS.

#### Line 12-m.

Include related adjustments from line 14 of the Federal 6251 only to the extent the adjustments are ones that affect the computation of net income. An adjustment related to tax-exempt interest from private activity bonds would not be included, since this is not an Iowa tax preference or adjustment.

### FEDERAL PHASE-OUT OF ITEMIZED DEDUCTIONS.

#### Line 16.

If you are subject to the Federal phase-out of itemized deductions on your Federal Schedule A, you must enter that phase-out amount on this line. To determine this amount, go to the IA form 41-104, Itemized Deduction Worksheet, found on page 13 of the IA 1040 instruction booklet. Subtract line 1 from line 4 on the IA 41-104 form and enter on line 16 of the IA 6251.

### ALTERNATIVE NET OPERATING LOSS DEDUCTION.

#### Line 19.

A net operating loss can be carried back or carried forward to reduce a taxpayer's alternative minimum taxable income. However, before the net operating loss can be deducted it must be reduced by any tax preference used in computing the net operating loss. In the case of a net operating loss for a tax year beginning after December 31, 1986, which is carried to the current tax year, the net operating loss amount on line 19 cannot exceed 90 percent of the amount on line 18. Any portion of the net operating loss which cannot be used can be carried over to the next tax year.

#### Line 28.

Enter the amount from IA 1040, line 43, less line 50, or enter the amount from IA 1041, line 24, less line 28.

### NONRESIDENTS AND PART-YEAR RESIDENTS.

Nonresidents and part-year residents of Iowa are required to pay Iowa minimum tax only on the percentage of adjustments and tax preferences which are Iowa source. Lines 30-33 in Part IV must be completed to calculate the Iowa minimum tax liability for nonresidents and part-year residents

#### Line 30.

Add Iowa net income (line 26, IA 126) plus the total of those adjustments and tax preferences on line 13 of the IA 6251 which are from Iowa sources.

#### Line 31.

Add total net income (line 27, IA 126) plus the total of all adjustments and tax preferences on line 13 of the IA 6251.

#### Line 32.

Divide line 30 by line 31 and enter the result to three decimal places (Example: .786).

#### Line 33.

Multiply line 29 by line 32. The result is the Iowa minimum tax and is to be entered on line 45, IA 1040 (line 26 IA 1041). See the instructions below relating to minimum tax limited to net worth.

### MINIMUM TAX LIMITED TO NET WORTH.

Taxpayers who meet all qualifications for a distressed sale, but have a debt to asset ratio of 75 percent or less, are not subject to the minimum tax in an amount greater than the taxpayer's net worth. In situations where a taxpayer has multiple transactions (forfeitures, transfers, sales or exchanges), minimum tax is limited to net worth prior to the last transaction in the tax year. For additional information on what constitutes a "distressed sale" contact the Taxpayer Services Section of the Iowa Department of Revenue and Finance. If calling from the Des Moines area or from out of state, call (515) 281-3114. Elsewhere in Iowa or from the Rock Island/Moline or Omaha calling areas, call 1-800-367-3388 (toll free).

### ALTERNATIVE MINIMUM TAX CARRYFORWARD CREDIT.

An alternative minimum tax credit is available which may reduce the regular tax of an individual for minimum tax paid in a prior year on deferral items of tax preference. The Iowa credit is computed similarly to the Federal credit but on form IA 8801, which must be attached to the IA 1040 if this credit is claimed.
